Publication Date:	1986-00-00
Pages:	N/A
Pub Types:	Journal Articles; Reports - Descriptive; Reports - Evaluative
Abstract:	Discusses the development and preliminary evaluation of an experimental statewide system of services in North Carolina for seriously behaviorally/emotionally disturbed adolescents. The program successfully provides these youngsters with appropriate treatment, education, training, and care suited to their individual needs, including community-based programs. Case studies are provided. (BB)
